Chairs Report led by Marj Bridger & Christina Sachanowicz

- Hot Lunches program has begun, orders are underway and food service begins October 1st. Everything is online and cash/cheques will only be accepted until September 24<sup>th</sup>. Currently almost \$27,000 has been paid online and roughly \$3,000 cash/cheques. Natasha will be heading milk, Joanna Rasowski will be in charge of pizza and Christina will handle Subway.
- A reminder that the handful of parents who create the Hot Lunches team are not all CSPC members, yet they all have access to certain private information; such as emails and how much is spent on milk, subway and pizza. No further information is viewed. Upon creating a hot lunches account there is fine print

advising of this third party involvement. It is also stressed that any information sent out to council from other council members should clearly remain private and be handled accordingly.

- A quick run down of the many events and initiatives from last year; Swim meet, BBQ, Danceathon, Grade 8 & SK Grad, Community Events, Sacramental events, Artucate, Wellness Day, Fun Food Friday, Parent Social, Welcome to Kindergarten, etc.
