Allow me to experience Your presence in the many blessings You put before me.

Open my eyes to the new challenges and exciting opportunities that this new school year brings.

Open my heart and mind to new friends and new teachers. Give me a generous spirit to be enthusiastic with my studies and courage to accept new opportunities.

Help me to be attentive to my teachers and let me experience Your presence in my new friends.

Jesus, inspire me to do my best this year!

Amen

STUDENT CLASS PLACEMENT

Student class placements are made carefully taking into account numerous factors including number of males and females, previous class placements (i.e., students who have been in combined grades) as well as student strengths and needs.

However, student enrolment often fluctuates during September and schools must ensure class size meets Ministry and TCDSB requirements by the end of the month. If enrolment numbers change, it may become necessary to restructure classes in September or early October. We will maintain ongoing communication to inform students and parents of any changes and endeavor to ensure that any restructuring is accomplished respectfully and co-operatively.

PARENT COMMUNICATION/SOCIAL MEDIA

Parent/Guardians will be able to receive weekly updates regarding upcoming events as well as important reminders and notices via Twitter. The monthly newsletter and calendar will be posted on the school's website: <https://stgregorycspc.ca>

SCHOOL CASH ONLINE

Parents/guardians are reminded to create their School Cash Online profile for a safe and convenient payment option that eliminates the need to send cash or cheques to school. For more information and to create your account visit www.tcdsb.org/FORPARENTS/schoolcashionline You can still pay for school activities by cheque or cash however cheque is the preferred option to help minimize cash in schools.

SPECIAL SERVICES

As part of the TCDSB's goal of Fostering Student Achievement and Well Being, the Special Services department aims to support our special education students in achieving academic excellence and meeting the Ontario Catholic Graduate School Expectations. The department offers a variety of supports to students based on their need(s) and/or identification(s). For further information please visit the Special Services department link:

<https://www.tcdsb.org/ProgramsServices/SpecialEducation/Pages/default.aspx>

Parents/caregivers are reminded that if they require support in accessing the Special Services department link, they may ask the school principal for assistance. Alternately, for families who require access to a computer to visit the site, they may access an electronic device through the Toronto Public Library.

STUDENT MEDICAL CONDITIONS (ANAPHYLAXIS, DIABETES, ASTHMA)

For students with medical conditions (i.e., anaphylactic reactions, asthma, diabetes), it is imperative that parents inform the school and complete medical information forms to ensure staff are aware of the student's condition and know how to respond in case of emergency. If a child requires medication during the school day or in an emergency (ANAPHYLACTIC REACTION), the **TCDSB Permission to Administer Medication Form** must be completed by the child's doctor and parents prior to administration of any medication. Students with anaphylaxis should have two EPI-PENS at school: one EPI-PEN should always be carried on the child with a spare located in the main office.

ALLERGEN AWARE SCHOOL

St. Gregory C.S. is an **allergen aware school** which aims to ensure the safety of students including those diagnosed with allergies to specific foods who are at risk of anaphylaxis when exposed to specific foods through: eating, smelling or touching the allergen. Please note contact with another child or item that has been exposed to the allergen can trigger an allergic reaction or anaphylaxis in individuals diagnosed with allergies. The best way to reduce the risk of accidental exposure to allergens is to avoid sending food products which may contain potential allergens in your child's snack or lunch, specifically **PEANUTS AND NUTS**. Please check product ingredients and look for peanut-free/nut-free labels on food items. As well, kindly remind your child not to share food with others.

Please do not send food treats for sharing on birthdays or special occasions. There are many alternatives such as stickers, pencils or erasers. If you have any questions, please talk to your child's teacher.

MEDICATION

Principals, teachers, and support staff of the TCDSB are **NOT** permitted to administer any type of prescription medication during the school day, unless they have written authorization signed by a parent, and the child's physician. The TCDSB forms regarding medication must be updated yearly. These forms are available from the school office.

The school is aware that there are times when students need to take a dose of prescription medication during school hours and ask that parents communicate this information to the school. This medication must be stored in the school office to ensure student safety. Students cannot keep medication in their desks or school bags. Parents can request that school staff supervise a child taking medication. It is extremely important that medication brought to school is:

1. Measured and put in single dose containers
2. Labelled clearly with the child's full name, time, and amount to be taken, and whether refrigeration is required.

Please be advised that school staff will not administer non-prescription (commonly known as "over the counter medication" such as Tylenol or Graval) medications to students under any circumstances.

Please be reminded that children should stay at home until they have recovered from a minor illness (i.e., colds, flu). Children do not learn well when they are ill and can spread viruses or germs to others. Students need a healthy body to ensure they have the stamina to participate fully in school activities. Students cannot stay indoors during recess and outdoor activities due to illness. If children are well enough to come to school, they should participate fully in all activities and routines which are part of the school day.

PEDICULOSIS

Outbreaks of pediculosis (head lice) are common among children. Lice can spread quickly in group settings. If you discover that your child has been infested with head lice, please advise the school office so that the necessary steps can be taken to prevent further cases.

Lice is spread by head-to-head contact with someone who already has head lice or by contact with clothing (i.e., hats) or personal items (i.e., combs) used by a person with a lice infestation.

For further information you can go to the Toronto Public Health website to download a Lice Fact Sheet found under the heading Communicable Disease Control.

STUDENT ACCIDENT INSURANCE

The TCDSB does not provide accident insurance coverage for student injuries that occur on school premises or during school activities. Accidents may occur resulting in injuries which are not covered by provincial health care or employer group plans.

All parents are reminded to consider checking the adequacy of their liability insurance through their homeowners'/tenants' insurance policy to cover claims arising out of injuries caused by their child at school. Student Accident Insurance application forms are forwarded to schools for distribution, and can also be purchased on-line at www.insuremykids.com. TCDSB's Risk Management continues to strongly promote this product as an inexpensive form of dental, disability and life insurance.

Any questions should be directed to Reliable Life Insurance Company toll free at:

Along with reducing paper consumption and photocopying for communication purposes, we will continue with the "Waste Free Lunch Program". Students are asked to do the following: pack snacks and lunch in a re-usable container and then place any leftover food in their containers to be brought home or placed in the green bin. We hope that this practice will reinforce environmental awareness amongst our students. Thank you for your support.

If your child brings a cell phone to and from school, it **MUST** be **TURNED OFF** while on school property and remain out of sight everywhere on school property including classrooms, the washroom, parking lot and school yard. **Electronic devices such as tablets and laptop computers will be permitted for educational use this year and to prevent sharing of devices.**

Matters of urgency should be dealt with **through the office**. If your child needs to contact you, they are to seek permission to use the school phone. The school will not be responsible for lost or stolen phones. In addition, students who have their phones turned on while in school will be given one warning followed by a discipline report for any further infractions. Grades 4-8 students and their parents are required to acknowledge this policy by signing the attached form.

BUS TRANSPORTATION

PARENT BUS INFORMATION PORTAL

Communications with parents regarding bus transportation for students is a priority. In order to stay informed, parents are encouraged to register on the Toronto Student Transportation Group (TSTG) portal today by visiting www.torontoschoolbus.org. This portal provides TCDSB parents with online access to their children's transportation information and up to the minute email notifications regarding school bus cancellations or delays. If you have any issues signing up on the portal, please contact support@torontoschoolbus.org and staff will assist you with the registration of your account.

For updates on public transportation visit the Toronto Transit Commission website at <http://www.ttc.ca/>

Students must be ready to board as soon as the buses arrive at the STOP or school as buses must stay on schedule. Students must behave appropriately in order to maintain safety at all times. Please note that inconsistent travel on the buses will make it difficult to maintain service for your child and may result in the bus space being assigned to another student.

BUS SAFETY & EXPECTATIONS ON THE BUS AND IN BUS LINES:

- Observe the instructions of the bus driver at all times.
- Remain seated and facing the front at all times until the bus comes to a complete stop
- Respect property and do not cause damage to the bus in any way
- Do not talk loudly, yell, throw objects or fight on the bus
- Keep your hands and head inside the bus, do not lean out the window, spit or throw objects out the window
- You are not allowed to board another bus for any reason (i.e. friend's birthday party, working on projects together)
- Do not eat or drink on the bus
- Always be respectful to the bus driver, student monitors and other passengers

PARKING LOT SAFETY

Please note that our school buses take precedence over cars in our horseshoe parking lot on the south side of the school facing Rathburn Road. Please move when the bus is behind you. Be mindful of children walking through the parking lot. The drop off and pick-up area is a "Kiss and Ride". Please **DO NOT PARK** in this area.

INCLEMENT WEATHER ROUTINE

On days when the weather is inclement, students are asked to arrive at school just before the bell. Students present at the school will be permitted to enter the building at 8:15 in the morning. On such days, the recess periods will be held indoors and those students who stay for lunch will be supervised indoors.

Unless the weather conditions are particularly bad, cold weather alone does not warrant an early entry to the building or indoor recess. Students should always dress appropriately for the weather.

ACCIDENTS/EMERGENCIES

Please take some time to review street proofing and basic safety rules with your child to reinforce lessons taught at school. Despite constant reminders and attention given to issues regarding safety, occasional accidents do happen. In case of minor accidents, (cuts, scrapes, etc.), first aid will be administered by staff. If a child continues to be uncomfortable or is in distress, the school will notify the parent. In case of a serious accident, parents will be notified immediately. If attempts to contact you are unsuccessful, school staff will take the appropriate action as directed by TCDSB policy. It is absolutely imperative that the school has up-to-date contact and medical information.

EMERGENCY SCHOOL CLOSING

In the event that the school must be closed or go into lockdown before regular dismissal due to an emergency situation, children will be evacuated to St. Gregory Church. Under such circumstances parents may call the Church rectory at 416-239-4831 to obtain information. If Church Hall is not available, our alternate location is Rosethorn Public School (416-394-6360).

BEFORE AND AFTER SCHOOL DAY CARE

North York Little Prints Daycare is a licensed daycare which offers a daily Before and After School Program for kindergarten and school age children at St Gregory Catholic School.

For more information regarding available space and fees, please contact the center manager: Pamela Taskinen at 416-236-8794 or go online to:
